GOVT OF MYSORE

TO

C Narayanaswamy Naidu, Esq , B A , B L ,

SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
LAW DEPARTMENT, BANGALORE

SIR,

I have the honour to state that the District Magistrate Bangalore District, requested this Office in his letter No J2-244/41-42 dated 3-6-1942 to get certain caution boards - fixed up as per the enclosed form in several of the roads wherein the running of lorries and buses were prohibited by him

The Municipal Engineer who was directed to get the work done submitted an estimate for Rs 560/- which was sanctioned by the Managing Committee on 29-6-1942 and it was further resolved by the Managing Committee that the amount expended be paid by Government to the Municipality The Boards however - were got fixed as they were urgently required to be done

The District Magistrate was accordingly addressed on 2-7-1942 with the estimates to transfer the required funds to the Municipality The District Magistrate however returned the estimates, with the intimation that the Boards had already been put up through the City Superintendent of Police, Bangalore

The District Magistrate was again written to on 31-7-1942 that, as the work had been already completed, pending sanction of the estimate and as the work was undertaken at his instance arrangements may be made to transfer the funds required

The District Magistrate replied that the works should not have been begun without the sanction to the estimates or the Government agreeing to pay the cost of the same and stated that as the works were of an urgent nature, the work was got done through the City Superintendent of Police at a cost of Rs 160/- and regretted that the amount claimed could not be paid

The Municipal Council considered this reply of the Dist Magistrate at their meeting held on 4-11-1942 and resolved that the subject be referred to Government for decision and reimbursement of the money spent

The concerned resolutions of the Council are herein enclosed for reference

I may add that the City Superintendent of Police has in his letter dated 5-11-1942 requested that the said boards put up by the Municipality may be removed and replaced in other places on the prohibited roads

As the boards put up by the Municipality were also used as caution boards and were got fixed at the instance of the District Magistrate, I request that sanction of Government may kindly be obtained for meeting the cost of these boards out of Government funds

I have the honour to be,

Sir,

Subject. Cost of Caution Boards fixed in the prohibited roads for certain Motor vehicles traffic in Bangalore City

With reference to your letter No. L 7105/L 156-42-3 dated the 20th January 1943 forwarding for remarks a copy of letter No A R. P 1/41-42 dated the 18th December 1942 from the Municipal Commissioner, Bangalore City on the above subject, have the honour to state as follows -

From the references in this Office, it is seen that the Municipal Commissioner, Bangalore City Municipality was requested in this office letter No J 2 244/41-42 dated 3-6-42 to arrange immediately for taking certain Boards on certain roads prohibited for lorry traffic in the City limits at the two ends of each road to prevent accidents and the District Superintendent of Police, Bangalore City was also instructed to meet the Municipal Commissioner, in this connection to explain the immediate necessity of the Caution Boards (vide copy of letter enclosed for kind reference

As the boards were not put up by the agency of the City Municipality and as the matter was very urgent, the District Superintendent of Police Bangalore City was requested in this office Demi-official letter J 2 244/41-42 dated the 8th June 1942 to place immediate orders for the preparation of the Caution Boards with some local firms or contractors with instructions that the cost will be met out of the special grant of Rs 10,000/- sanctioned in G O 2057-67 dated the 23rd April 1942 for Civil Defence purposes The

The District Superintendent of Police, Bangalore City was further instructed to fix up the Boards at the two ends of the protected roads immediately copy of the demi-official letter is also enclosed for reference

The Municipal Commissioner, Bangalore, City subsequently made a reference to this office stating that the Municipal Engineer had been asked to proceed with the work as per letter and requesting that the cost of Rs 550/- be transferred to the Funds of the Municipality to meet the expenditure(vide letter No J 2 1165/42 dated the 1st July 1942) A reply was sent to the Municipal Commissioner in this office letter No J 2 244 dated the 12th July 1942 returning the estimate without sanctionstating that the boards had already been put up by the City Superintendent of Police, Bangalore City(vide copy of leeters enclosed for reference

The Municipal Commissioner wrote in reply, in his C 2 C1165/42 dated the 31st July 1942 to say that the boards had been prepared and fixed as per this office letter that the cost of Rs 550/- be transferred to the Municipal Funds to meet the bill of the Contractor The Municipal Commissioner, was asked in this office letter of the 6th August 1942 as to how the work was got done without the return of the estimate from this office, and in the absence of orders of Government agreeing to bear the cost of the work He was further intimated that as the matter was urgent and as no reply was received from him for nearly a month after the first communication was made to him on the subject, the boards were got done through the City Superintendent of Police at a cost of Rs 160/- as against Rs.550/- claimed by him and that in the circumstances,the amount claimed by him could not be paid (Vide copy of letter dated 6th August 1942 enclosed for reference) This letter explains the circumstances under which the work was got done the City Superintendent of Police

The cost of boards and fixing charges which was

was got done by the District Superintendent of Police was paid from the grant of Rs 10,000/- sanctioned in Government Order No.2057-67/ W dated 23-4-42 for Civil Defence purposes vide G O No 2035-7 W dated 4-11-42

The extra boards prepared by the Municipality may however, be put up in the intervening space between the two ends of the roads in the prohibited area with a view to save the wastage of the material got donce at some expense

As regards the cost claimed by the Municipality I am at a loss to know as to how it has cost them 3½ times the cost at which it was done by us If this is reduced to the extent to which the boards were got donce by the Police, then the question of meeting the cost form the Road Funds may be considered

Subject - Cost of caution Boards put up by the Municipality in the prohibited roads for certain Motor Vehicles traffic in Bangalore City

---

With reference to your letter No L 9965/M1 156-42-5, dated 7-4-1943, on the above subject, I have the honour to state that the District Magistrate requested this Office in his letter No J2-214/41-2 dated 3-6-1942, to arrange for the putting up of the boards He has also addressed the District Superintendent of Police in his letter No J2-214 41-2 dated 8-6-1942, to arrange to get the boards prepared Hence it is not correct to say that the District Magistrate had to address the District Superintendent of Police in the matter, as he had not received any reply from this Office for a month, to his reference in the matter Further, the fact of having addressed the District Superintendent of Police in the matter, was not intimated to this Office by the District Magistrate In the meanwhile, since the work was of an urgent nature, it was got done as early as possible

Secondly, it is stated by the District Magistrate that the cost of the boards prepared by the Municipality is very high The cost will have to be determined with reference to quality of the materials used and the quality of workmanship 22 boards have been got done by the Municipality at a cost of Rs 396/-(as per revised estimate which works up to Rs 18/- per board) It is reported by the Municipal Engineer that the

quality, materials and workmanship of the boards put up by the Municipality are far superior to those got done by the Police Department and that the posts are fixed by the Municipality in concrete with bed slabs, whereas they have been loosely stuck up in the ground by the Police Department As the work has been got done and as the contractors bills have to be settled, it is not possible to reduce the cost now

In these circumstances, the District Magistrate may be instructed to arrange to credit to the funds of the Municipality, the sum of Rs 396/- so that the claims of the Contractor may be settled early.

I have the honour to be,
Sir,
Your most obedient servant,
